That Captain Rowe was rather en-thusiastic when he tipped the guide off to this bit of information is indicated by the record made by the How-ltzers last season. Studying scores made by the Howit-

The Hill City association decisively defeated Washington in a game which plainly disclosed the comparative strength of the two teams. The Howitzers signed contracts with the Lynchburg association to play two games last season in Lynchburg on January 24, and in Richmond on Feb-January 24, and in Richmond on February 21.
